Percussion (The percussion students will be learning how to play the snare drum and the bells). They make travel a lot easier for the students. These kits will remain at home and the school will provide equipment to be used at school.

- Ross or Mapex piccolo snare and bell kit (called the "Combo Kit") for home practice, Yamaha or Pearl also OK
- 2B snare sticks, any brand (should come with the kit)
- Plastic bell mallets (should come with the kit)
